### ▶ BACKWARDS AND IN HEELS: A LOOK AT THE PAST, PRESENT AND FUTURE OF WOMEN IN WHITE COLLAR LAW

On behalf of BDO Consulting, we would like to extend this invitation to join us for a CLE presentation and networking event for women white collar attorneys. Our distinguished panel of white collar experts, including BDO Consulting Partner, Judy Spry will hold a lively discussion on the following topics:

- Why is it harder for women to make partner in white collar practices than in any other practice at big law firms?
- Why are women under-represented in the DOJ criminal division and in white collar practices across the country?
- What kind of opportunities are there for women white collar prosecutors?
- What can women do to increase their chances of success for building a successful white collar practice?
- What kind of in house opportunities are there for women interested in white collar work?
- How can you build an "old girls" network?
